RESPONSE TO NON-FINAL OFFICE ACTION with
AMENDMENT TO CHANGE PATENT TITLE

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the most recent, non-final Office Action in the above-captioned application, it is requested that Claims 1-14 be allowed and issue as a patent. It is further requested that Claims 15-49 be cancelled.

As background we note that Claims 1-14 were allowed in the Office Action dated March 3, 2003 and were allowed in all subsequent Office Actions including the most recent. We therefore respectfully request that Claims 1-14 issue as a patent without further delay.

We also enclose an amendment to change the Patent Title.

Respectfully submitted,

Date: March 8, 2007
